Thursday 18th January 2018

Dear Parents/Carers,

A big warm welcome back to all our families for the start of this spring term 2018. I am going to say I hope you all had a lovely Christmas holiday but I am aware of how many people were properly poorly during the festive period so I really hope this wasn't you or your loved ones. This is a busy term and we have put some of the key dates on the newsletter and on the website diary but make sure you check regularly as things get added all the time as opportunities arise. The Year 1 and 2 children have already had an adventure when they went to the puppet theatre for the performance of 'Thumbelina'. The puppeteers will be in school next week to make puppets with the children.

Our value for this half term is 'Justice' and this week the children have been learning about the Jubilee Debt symbol.

Ms Nutbeam

Message from FOSIS

There will be a meeting on Friday 2nd February straight after the celebration assembly. Anyone who would like to come along is very welcome.

A message from Mrs Shirley

"Thank you children for the lovely singing, cards and gifts during my leaving assembly, I shall miss you all. I hope to see you around Stalham, as I often do with families old and new. It has been a pleasure to be associated with the school and I will be thinking of you all."

Drop Everything And Read

After the vote in the playground, it has been decided that drop everything and read shall remain at 2:40 for parents/carers or other family members to come in and read with their child. It's a great opportunity to make the time to share a book.

Number Day

On Friday 2nd February the federation will be taking part in a number day. The children are invited to come to school in a number/ shape theme outfit. For example, a football shirt with a number on the back or a spotty top. The children will also be taking part in number activities throughout the day, which we are sure they will enjoy.

Zumba

The Zumba club will be running for 8 weeks for those children who chose this, which will be a cost of £8 please.

Forrest School

I'm sure your children have been coming home telling you all sorts of lovely things that take place during forest school. It really is a fabulous time for the children to explore the great outdoors and enjoy outdoor learning. As of 31st January our very own Miss Gallagher will be starting her training to take forest school classes herself. This will increase the opportunities the children will have in our wildlife area as currently Miss Wones has to split herself between the three schools in our federation. When Miss Gallagher is out of school on her training days, Orange class will be covered by Mrs Scott, who is a familiar face around Sutton and has regular contact with the class, Mrs Fiske and by their side will be Mrs Bales and Miss Vilalba.
