Wednesday 7th March 2018

Dear Parents/Carers

Well - what can I say! What an eventful time we've had. I hope you and your loved ones all stayed warm and safe during the visit from the 'Beast from the East' and there are no broken bones or dented cars in your families!

You have also received a text about the re-scheduled World Book Day so hopefully we should just about be all caught up by the end of the week!

Enjoy the mud :-)
Ms Nutbeam

School Defib

We wanted to make you aware that after a sterling effort, we were able to raise enough money to buy a Defib. It is to stay in school and is situated in the entrance lobby so will only be available for use during school hours.

Class Blogs

Our teachers are continually updating the class blogs to keep you updated on what the children have been learning about in class. Please follow the link attached to have a look at your child's class blog: <http://www.swallowtailfederation.co.uk/sutton.html>. Select your child's class then click on the blog. There are photos on there and it really does give an insight to the daily goings on in class. Enjoy!

SPORTS FOR SCHOOLS

Just a reminder that we are collecting the Sports for Schools vouchers in Archant papers (Eastern Daily Press, Norwich Evening News, Great Yarmouth Mercury) to be in with a chance to win a share of £20,000 worth of sports equipment.

This is running until 14th April, there will be one token a day (but watch out for bonus tokens and two tokens every Saturday!) published in these papers. We would really appreciate these tokens being brought into school as a share in this money would really benefit the children's physical education.

Our collection box is in the school reception, or pass them to your child's teacher.

Postcards and MAF

Hopefully you have all received your charity collection boxes for MAF (Mission Aviation Fellowship) and are having fun with your children and the 40 Acts of Kindness wall chart activities. MAF raises money in a variety of ways, one of which is by collecting both old and new postcards. Last year they raised over £35,000 through donations of postcards alone. Each of our schools now has a postcard collection box and we would greatly appreciate any donations that you have.

Mother's Day tea party

Please do come along to our mother's day tea party this Friday at 2pm. The children will be busily making yummy treats during the day for you all to enjoy.

Also, remember to pick up your copy of the Mercury newspaper on Friday to see a special message from your child.

Step On It

Orange class will be taking part in a pedestrian training course on Tuesday 17th and Wednesday 18th April. It will be in a real roadside setting as this is the most effective way to teach them about the highway code and road safety. We would appreciate parent helpers for this as safety is paramount. Please talk to Miss Gallagher, Mrs Bales or the school administrator if you are available to help on either or both days. Many thanks.

Dates for Diaries

Shown below are dates for your diary for the remainder of 2017 and those so far for 2018!! This is amended regularly and all these dates are on the website
