5th January 2017

Dear Parents/Carers

On Thursday 19th January it is our School census day! It would be great if all the children could order a lunch provided by the school on that day. The reason we are asking for this is the funding for Universal Free School Meals is already in our budget and has been allocated on the number of children in the school. However, on census day we have to send in the actual number of children who have ordered a dinner on this day and the funding will be recalculated. The difference will then be deducted from our budget. We would obviously prefer not to lose this money as any excess could be used to buy other resources for the children. Please could you encourage your child to take a free meal on 19th January - even if you have to send a home packed lunch in too! We really appreciate your cooperation with this!

The children have the choice of the special Star Wars Lunch, but if they want they are still able to order the school packed or jacket potato if that's what they would prefer. If you have any queries please come and see me.

Thank you for your help.

Yours sincerely

Gayle Edwards
