

## Welcome to Cheetahs Class 2020/21

Hello,

Welcome to Cheetahs Class this year! We are excited to have lots of fun learning and working hard. Below is some information you might find useful about the class.

**PE** will be on **alternate Monday afternoons**. Children will need to come to school in their PE kit on these days; we will be doing PE outside so please ensure your child wears appropriate clothing.

**Forest Schools** will be on **alternate Monday afternoons**. Children come to school in their forest school clothes on these days; warm/waterproof clothing and shoes appropriate for the weather conditions.

### Reading

We expect all children to either read to an adult at home or read independently for 20 minutes at least 3 times a week. Children will record their reading in their planner and ask an adult at home to sign each time. We will check planners once a week and stamp it to show it has been seen.

### Homework

Children will be set either maths or grammar homework each week. This will be set on a Tuesday and will need to be returned to school on the following Monday.

### Spellings

The children will have a spelling rule for four weeks but will have a different list of spellings each week to fit that rule. The children will have a test on the rule once every two weeks on a Friday.

### Larger Homework Projects

These will be set each term. Your child will have detailed information about each project at the time and will have plenty of time to complete it, including the half term.

Thank you for supporting your child's learning at home. If you have any concerns about homework please get in touch with us via the office email address.
