

23<sup>rd</sup> April 2018

Dear Parent/Carer

Welcome back after, hopefully, a relaxing Easter break.

This term in English we will be focusing on Grammar and reading comprehension. We will also look at improving story writing and non-chronological reports.

In Maths we will be focusing on problem solving and reviewing areas of study. We will also be trying to improve our arithmetic skills.

In Computing we will be looking at editing HTML and using Word.

In Music we will be practising our Big Sing songs.

In Science the children will be learning about growing up and growing old.

Our R.E lessons this term will be focusing on if Religion brings conflict or peace.

In P.S.H.E. the children will be taught by Mrs Butcher and will be learning the SEAL unit: money matters and how to cope with stressful situations.

Our humanities topic this term is Ancient Greece. We will be learning about how life was like for this ancient culture and how they have influenced our lives today.

P.E. is on a Monday and Friday with Mr Sharpe from Premier Sports. It will be outdoor so please make sure your child has the correct attire.

Homework for year 6 will be handed out on Monday to be in by Friday. The children will also have their termly homework which they need to complete and have handed in the week beginning Monday 21<sup>st</sup> May.

I look forward to another brilliant term.

Mr Hall
