Dear Parent/ Carer

Our school milk scheme

Our school provides a milk scheme that is available to all of our pupils, several of the older children have been asking about having milk so if you would like your child to receive a carton of milk each day you need to register them for the scheme. School milk is free for all under-fives and is subsidised for pupils aged five or older each term.

Each pupil that registers with Cool Milk will receive a carton of semi-skimmed milk every day, which is delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused. Find out the top ten reasons to drink school milk at www.coolmilk.com/why-milk-is-great.
