The Swallowtail Federation of Church Schools Home-School Agreement – EYFS/KS1

At the Swallowtail Federation of Church Schools we believe that the children of our school are entitled to a secure environment in which they are encouraged to become independent, self-reliant, self-disciplined and considerate to others. Our aim is to develop within each child a love of learning and to prepare pupils, as individuals, with the competence, confidence and moral values which will allow them to make a full contribution to the communities they inhabit; making the best of their abilities and enabling them to respond effectively to the changing circumstances of the modern world. It is our policy to encourage effective communication between school and home, helping to create and maintain continuity between the values of the school and those of the home. We believe that children should be encouraged to learn and to maintain an enquiring awareness of the world around them, whether they are at school or at home. To this end, parents must feel able to approach the school (via appointment), while those in school must communicate clearly and directly with parents concerning the education of their children.
