

Choose two things to complete from the list below during this term. This project needs to be in by Monday 25th March. Remember that your work will be presented to the whole school.

Project ideas

- Research 3-5 famous Europeans. Tell me what they are/were famous for and what is interesting about them.
- Bake or cook something. Write up a recipe and a recount of what you did to make it and how it tasted. Also think about what you would do to improve your cooking/baking.
- Compile a fact-poster/leaflet/Powerpoint about a European country. Tell me what's interesting about the country and why people go there and any other facts that you find interesting.
- Create a piece of artwork linked to a country in Europe. Use any medium that you like.
- Try and write a story based on the **story challenge** below.

Story challenge: Use the picture on the left to create a story. Try to write a beginning, middle and end. Your story should have speech and description of what your main character is feeling and what they are seeing and doing. Your word limit is 600 words. The minimum is 350. Good luck.
