

# 100 Club, how much can we raise?

## Catfield School and Little Owls Pre-School 100 Club Information

I run a 100 club to help raise funds for the benefit of the children using the school and pre-school facilities. The club runs every half term, if you would be interested in joining please complete the proforma at the bottom of this page and return it to the school office or feel free to email me, if you prefer. If more than one person in your family, or circle of friends would like a number please complete the same information on a separate piece of paper and return as requested.

### Summary –

You buy a number of your choice between 1 and 100 for £1 per week and in Friday's assembly a number is drawn. The winner wins  $\frac{1}{2}$  of the 'pot' and the other  $\frac{1}{2}$  is donated to the school / pre-school fundraising groups for the purchase of items to benefit the children.

### How it works –

- The 100 club will only run during term time.
- The numbers are issued on a 1<sup>st</sup> come 1<sup>st</sup> served basis and will be reserved for each half term. If payment is not received the number will then be issued to someone else.
- All numbers must be paid for by close of business on the 1<sup>st</sup> Wednesday of each half term. Payment should be left at the school office in an envelope addressed to 100 club and containing your name, cash and your confirmed chosen number(s) or paid directly into my account, details provided when you confirm your chosen number(s).
- An e-mail will be sent to confirm amount due per number, during the week prior to the start of each half term.
- It is open to anyone who would like to join.
- You can have as many numbers as you would like.
- The 'pot' will be the total of the 100 club numbers that have been sold.
- Only numbers that have been paid for will be entered into the draw.
- The results will be confirmed in a weekly e-mail, please advise your e-mail address and the Schools weekly newsletter 1 or 2 weeks in arrears.
- The winner will be able to collect their winnings from the school office during the following school week or by separate arrangement with myself.
- You can reserve your number at any time but it will only be entered into the draw for the next full half term, after payment has been received.

Many thanks for your attention
