

The Swallowtail Federation of Church Schools

Parental Questionnaire – 2016-17

Thursday 12th January 2017.

Dear parents/carers,

Each academic year, we invite you to complete a questionnaire, in order for you to contribute to our planning and improvement process.

Your feedback is important, and so in order to find out what you think of our school, we would like you to complete another questionnaire, and would be grateful for your co-operation. The survey is anonymous, but it would be very helpful if you felt able to identify a particular class or year group where you make specific comments.

Please return the completed survey as soon as possible, and by **Friday January 27th** at the latest. When all the responses have been collected/collated, a summary will be distributed for your information.

Many thanks for your co-operation.

Kind regards

Ms Jo Nutbeam/Ms Julie Wones
Executive Head-teachers
