Dear Parent/Carer

Parents in School

Welcome back to school after a beautiful summer holidays! I am excited to be starting my first term at Hickling and looking forward to the year ahead.

In my view parents play a crucial part in a child's education and as a team we are keen for parents to be involved as much as possible.

We would like to invite parents into school weekly to share and celebrate learning on:

- Monday - assembly 9:00am
- Wednesday - reading in class 8:45am - 9am
- Friday - celebration assembly 2:30pm

Reception children parents are invited in every morning to ensure their children are settled and ready for their day at school. They may continue for as long as they see fit, however we do encourage a certain amount of independence.

I will be available on the door each morning if you have any information to share about your child and again on the gate at the end of the day.

If you would like to spend more time talking about your child's learning or wellbeing you are welcome to make an appointment to speak more after school. Your child's books are always available to be viewed so please don't hesitate to ask if you would like to view them.

There will be many opportunities throughout the year when you will be invited in for other learning events, celebrations and maybe even calls for help!

Thank you for your support in advance,

Yours sincerely
Miss Arnold
