Thursday 1st February 2018

Dear Parents/Carers

I really enjoyed looking at the puppets the children made following their visit to the Norwich puppet theatre. They were fab and really inspired the children. The governors were in school this week too and carried out a learning walk - they were really impressed with the quality of the work they saw displayed around the school and were extremely complimentary! And while I'm on the subject of governors..... we are still looking to recruit so please pop and see either Ms Wones or myself if you are interested.

This week during collective worship the children have been learning about the bible story of 'Jonah and the Whale' and thinking about Jonah's emotions at different points in the story. Hmm - think I know what my emotions would be if I found myself inside a whale!

Unbelievably there is only one week left to half term so here's hoping this weather starts to improve!

Ms Nutbeam

SPORTS FOR SCHOOLS

Sports for Schools has joined with Archant publishers (Eastern Daily Press, Norwich Evening News, Great Yarmouth Mercury) to offer local schools the chance to win a share of £20,000 worth of sports equipment .

Starting on Monday 5th February running until 14th April, there will be one token a day (but watch out for bonus tokens and two tokens every Saturday!) published in these papers. We would really appreciate these tokens being brought into school as a share in this money would really benefit the children's physical education.

Message from FOSIS

There will be a meeting **tomorrow** straight after the celebration assembly. Anyone who would like to come along is very welcome. If you have any ideas for planning upcoming events for the children, all ideas are gratefully received.

Number Day

Tomorrow (Friday 2nd February) the federation will be taking part in a number day, so remember to come to school in a non uniform number/ shape theme outfit.

For example, a football shirt with a number on the back or a spotty top. The children will also be taking part in number activities throughout the day, which we are sure they will enjoy.

Valentine's day Biscuit

On the 9th February Norse will be changing the pudding from carrot cake to a valentine's biscuit, which we are sure the children will enjoy.

Polite Notice

If we could ask parents/ carers not to use their phones during the assembly as this is in keeping with school regulations of safeguarding. We are happy for you to take pictures of only your child, but we ask that these photos are not shared on social media if they contain other children. Also, when there is a child or teacher talking during the assembly, we ask you not to carry on your own conversations as this will then model the behaviour we expect of the children. Thank you for your cooperation.

Zumba

If there are any outstanding payments for children attending Zumba could they please be brought into school as soon as possible please.
